ALERT:

Grants.gov is excited to announce on Monday, October 31st, Grants.gov will release new features and enhancements. In order to complete the enhancements, Grants.gov will experience some system downtimes beginning 12 AM EST on October 29, 2005 to Monday, October 31, 2005. Applicants will not be able to search for grant opportunities or submit applications during this period. For more information pertaining to this system upgrade, please visit our [Site Features and Enhancements page](#).
